

The Orbit

A softer kind of authority.

₦175,000 price guide

THE IDEA

The curved orbit of a crescent translated into tailoring. A controlled peplum frames the waist; the tapered barrel leg balances the volume above.

THE PIECES

Crescent-peplum jacket · Sculpted barrel trousers

FABRIC DIRECTION

Structured suiting with enough recovery to support the curved waist.

WHERE TO WEAR IT

Boardroom days, galleries, personal brand portraits.

STYLE & FIT

Wear the two pieces together for shape, or the jacket over a straight skirt. Check sitting comfort at the waist and freedom through the thigh.
