

The Glitch

A deliberate interruption.

₦135,000 price guide

THE IDEA

A digital glitch translated into one shifted shoulder and precise pleats. The jacket’s off-centre geometry contrasts with the rhythm of the skirt panels.

THE PIECES

Sculpted cropped jacket · Architectural pleated skirt

FABRIC DIRECTION

Structured suiting that holds a crisp pleat without excessive bulk.

WHERE TO WEAR IT

Creative industries, exhibitions, contemporary occasion dressing.

STYLE & FIT

Wear with tights and boots for a graphic finish; the waist remains covered. Check shoulder balance, seated skirt length and movement through the pleats.
