

The Veil

Drape with intention.

₦185,000 price guide

THE IDEA

A protective layer, reworked as an emerald cape over precise tailoring. The cape softens the shoulder line while the high collar and column skirt create length.

THE PIECES

Cape-overlay jacket with full sleeves · Ankle-length column skirt

FABRIC DIRECTION

A structured base fabric with a compatible cape fabric that moves.

WHERE TO WEAR IT

Formal events, modest occasion dressing, elevated hosting.

STYLE & FIT

Let the emerald colour remain continuous; coordinate headwear separately if desired. Check arm mobility, cape attachment and a practical skirt walking opening.
